Dear User of the *1989 Illinois Statistical Abstract*:

Because of an accidental mislabeling of tables in section 1 of the *Abstract*, the following minor changes must be made to Tables 1-5 and 1-6. Note that there are two sets of revisions, one for purchasers of bound copies of the *Abstract* and another for those who purchased the *Abstract* on diskette.

PURCHASERS OF BOUND COPIES OF THE ABSTRACT ONLY

1. The data appearing in Table 1-5 are actually Non-Farm Proprietors' Income.

2. The data appearing in Table 1-6 are actually Farm Proprietors' Income.

Please re-label the table headings accordingly.

Enclosed please find Table 1-5 (revised), Non-Farm Earnings, and Table 1-6 (revised), Private Sector Earnings. These data are those originally intended to appear in the *Abstract*.

PURCHASERS OF THE ABSTRACT ON DISKETTE ONLY

Headings for Tables 1-5 and 1-6 have been corrected on your diskettes if purchased on or after October 11, 1989. The revised versions of Tables 1-5 and 1-6 are included on the last diskette. For earlier purchases, please change the table headings as described above for purchasers of the *Abstract* in bound format. Two additional files, 1-5rev.wk1 and 1-6rev.wk1, have been included on the enclosed diskette. These are Non-Farm Earnings and Private Sector Earnings, respectively.

We regret any inconvenience this may have caused you. If you have any questions, feel free to contact us at (217) 333-8037.

Sincerely,

William R. Bryan, Director
